- R** Greenscreen #2
- S** Reconciliation
- T** SDERA Safety Messages
- U** Anzac Memorial

Outdoor eLibrary Background

Our staff and students have been working on a project involving engaging students in Outdoor Learning using Digital Technologies.

With this goal in mind, we have created an interactive virtual outdoor eLibrary featuring student submissions for each of the projects we are proud to have created.

These eBooks can be viewed online via the internet browser with the links provided. Using the camera on a smartphone or tablet will allow you to scan the QR codes installed throughout the school and access each eBook as you take a tour around the school.
