Dear Shane

I am pleased to advise that the Public School Review of Bunbury Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review for your school has been determined through your self-assessment submission and validated by the review team as three years. The review will be undertaken in Term 3, 2024. This is viewed as a prudent, informed decision.

I acknowledge the efforts of you and your staff in optimising the conditions for successful students. The commendations and recommendations for your school against each of the domains are noted.

You are commended for the school's strong instructional leadership focused on supporting staff to implement whole-school approaches and consistent practices. I note in your report, the high expectations of staff and shared professional responsibility for ensuring excellence in teaching.

I also acknowledge the positive academic achievement of students evidenced in 2019 NAPLAN performance for Year 3 and Year 5, which was at or above the expected levels in all areas.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
